

Now offering Telehealth Services

Connecting with a provider has never been easier. Keeping you and our community healthy and safe, as well as maintaining mental well-being, have always been and remain our top priorities. We strive to provide the care and support you and your family need to stay healthy – physically, mentally and emotionally.

Finding the right treatment for your child can be overwhelming. We are here to make it easier. Confidential consultations are available at no charge, 24 hours a day, 7 days a week.

Simply call 217-585-1180 or 888-501-1180 to schedule an appointment. For more information about our services, visit lincolnprairiebhc.com. Your child's better tomorrow can start today at Lincoln Prairie Behavioral Health Center.

BEHAVIORAL HEALTH CENTER

Welcome to Lincoln Prairie Behavioral Health Center

Nestled in the heartland of central Illinois, Lincoln Prairie Behavioral Health Center serves children and their families who struggle with a broad range of psychiatric and behavioral concerns. We offer:

- Specialized inpatient and outpatient treatment for youth ages 3-17
- Outpatient programs include:
 - Individual, group and family therapy
 - Medication management

We are dedicated to providing youth with compassionate treatment that encourages self-responsibility and personal growth.

Since a crisis can occur at any time, we are available any time. Call 1-888-501-1180 or walk in for a no-cost assessment. Learn more at lincolnprairiebhc.com.

Remarkable People, Remarkable Care

A skilled multidisciplinary team works with the youth and family to accomplish their goals in a supportive and therapeutic environment. Your child will be placed in a nurturing and comfortable setting that fosters growth. We are able to accommodate a diverse population through a continuum of care.

Our goal is to provide youth with the necessary skills to be able to successfully re-integrate back into their daily lives. We work side-by-side with community partners such as agencies, schools and other treatment providers.

Treatment components can include:

- 24-hour assessments and referrals
- Multidisciplinary evaluations
- Behavioral and expressive therapy
- Medication management
- Individual, group and family counseling
- Parent training/support sessions
- Academic/classroom instruction

Our specialized programs include:

LGBTQ+

We take pride in being an LGBTQ+-friendly facility with an inpatient treatment track for LGBTQ+ youth.

Dual Diagnosis/MISA

We offer specialized inpatient treatment for adolescents who are seeking treatment for mental health and substance use disorders.

Partial Hospitalization

We offer intensive and structured treatment similar to the inpatient program, but with the ability to continue working on treatment in the family and community setting. This is often a step-down program for those who no longer meet the criteria for our inpatient unit.

Outpatient

We offer therapy provided by master's-level professionals who can help your child with individual treatment plans to address any social, school, community and family issues.
